Money Terms

Name _____

Date _____

Cents is the unit we use to make up a whole dollar.
100 cents equals a dollar.
Cents are written as a fraction of a dollar in decimals.

$1.00 = one whole dollar = 100¢

The decimal point is placed after the whole dollar amount and before the cents.

$$\$5.45$$

five whole dollars — decimal point — forty-five cents

DIRECTIONS: Write each amount numerically. The first one has been done for you.
