

DOWN SYNDROME
OF LOUISVILLE
SERVING LOCALLY, SHARING GLOBALLY

New 2024

Board Committees

We need you!

Medical Outreach & Research

- Engage with ongoing regional & global Down Syndrome medical research
- Help share KW Training for medical staff
- Brainstorm training for doctors on how to improve the diagnosis process
- Help Plan & Attend an annual Medical Outreach Dinner

Family Support

- Review & Support our process of welcoming new families
- Care for families with members in the hospital
- Advise member families in need of end-of-life & grief services

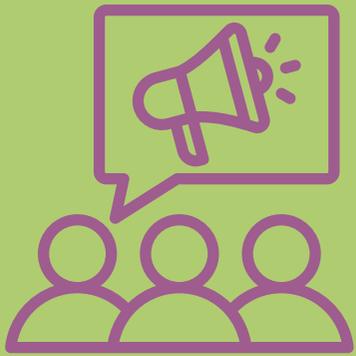

Education & Advocacy

- Help to foster and maintain relationships with local school systems
- Interest in advocating for individuals with Down syndrome at the legislative level
- Stay up-to-date on new learning research and educational tools
- Maintain knowledge and awareness of transition support

Development

- Know and inform community members of how they can get involved and volunteer
- Advise and share regular giving channels
- Publicize and cultivate donor relationships
- Be a part of fundraising events at DSL

Community Inclusion

- Support our new “Community Group” Leaders
- Foster new and existing community partnerships
- Ensure equitable access to DSL programming
- Promote and share online videos & education, including KW Training for community partners
